SUMMARY

I am currently in 3rd year Computer Science and Engineering. I am interest in programming and technology. I have basic knowledge of Python, Java, C, and HTML. I enjoy learning through practical work and developing simple applications. I am a quick learner, responsible, and motivated to improve my technical skills through projects and internship opportunities.

EDUCATION

MALNAD COLLEGE OF
ENGINEERING(HASSAN)

Computer science engineering
2023-2027

CHRIST THE KING PU
COLLEGE(K.R PET)

PUC
2020-2022

SKILLS

Programming Languages: Python,
Java, C

Core Subjects: Data Structures,
Operating Systems

Web Technology: HTML

Other Skills: Debugging, Logical
Thinking

EXPERIENCE

NO FORMAL EXPERIENCE (OPEN TO INTERNSHIP
OPPORTUNITIES).

LANGUAGE

Kannada

English

PROJECT

IoT-Based Irrigation System:

Created a smart irrigation system using IoT sensors to monitor soil moisture and control the water flow automatically, helping reduce water usage and manual work.
